

Vineland Thanksgiving ARTFest

Application for Parking Duties

Each Thanksgiving weekend Vineland school hosts ARTFest, an event with over 100 vendors and artisans. This event is a fundraiser for the school but also presents an opportunity for non-profit groups within the community to share in part of that fundraising. For several years now the parking duties on the school property have been split up into time slots which have been assigned to various organizations and the parking funds have been equally divided among those groups based on the amount of time the group was responsible for. If your non-profit group is interested please carefully review the requirements, fill in the application below and return it to the school.

Specifics regarding parking duties:

- The festival runs on Saturday, Sunday and Monday of the Thanksgiving weekend from 10:00am – 5:00pm, rain or shine.
- There are two shifts which will be available to non-profit organizations each day. These shifts run from 11:15am-2:15pm and 2:00pm-5:00pm.
- At the end of the weekend the total parking revenue is tallied and then split evenly over the 24 hours in which there will be parking attendants.*

Requirements for group participation:

- Commitment to provide 10 responsible volunteers to be present at all times during your shift (you may split the time between multiple individuals provided there are 10 present at all times and the transitions are smooth);
- Attendance at an organizational meeting prior to the event (at least 3 representatives must attend);
- Due to liability issues, ADULTS will only be allowed to be involved in ARTFest parking.

* If extra volunteers must be found to make up for a shortage of the required 10 parking attendants, that portion of the funds will be directed to the school.

Application Form:

Name of Organization: _____

Address: _____

Primary Contact: _____ Contact number: _____

Secondary Contact: _____ Contact number: _____

Describe what your organization does:

What community involvement does your group have?

Where will the fundraising money go?

How many people are involved in your group? _____

How long has your organization been operating in the community? _____

Applications are due on or before June15th and can be mailed to:
