

# FUN FRUIT FRENZY!

Dear Parents, students and staff,

With the increased awareness of our kids' eating habits, Simply Delicious Fruit Bouquets in St. Catharines, is offering fresh fruit kabobs once again to local schools for special occasions this year. It is a great opportunity for the children to eat a healthy and fun snack. Please note that this is **not** a fundraiser.

The fruit kabobs have 8 bite sized pieces of fruit. All of the kabobs have strawberries on them. There are 3 main types:

1. Canteloupe/honeydew
2. Pineapple/kiwi
3. Apple/grapes/orange

Each kabob will be sold for \$2.00 and students (and staff) will be able to place an order for Thursday February 9th. Please note that the kabobs are made in a NUT FREE facility.

To place an order, please fill out the order form below and hand in with the amount due by Friday February 3rd. Thank you for your interest.
