Dear Vineland Parents,

Today, we have some excellent news to share about some teachers who have been strong members of our Vineland team. Unfortunately, this will mean some change for our school organization.

Mr. Sean Ferguson has been awarded a contract at Port Weller Public School. Miss Kim Berti will now be teaching the Grade 1 class until the end of December. Mrs. J. Savage will still be returning in January.

Mr. Kevin Niven has been awarded a contract at Martha Cullimore Public School in Niagara Falls. His role here at Vineland was going to be finishing up here in the near future, but I am still in the process of determining the teacher who will be taking his duties until Thanksgiving.

We also wish to congratulate Mr. Marc Zulauf – parent and former Vineland teacher, who has been awarded a contract at St. David's Public School.

These teaching changes are effective immediately. These changes are the result of our fall staffing process. While our classrooms are not affected by opening or closing a classroom, there will be some timetable changes over the next few weeks that will be communicated to parents by each homeroom teacher. We aim to have as few changes as possible.

We wish these friends the best for their teaching careers!

Sincerely,

Lorne E. Gretsinger, Principal
