

Attention Vineland Parents/Guardians,

The NED Show will be coming to Vineland Public School on Wednesday October 12th @ 9:30 a.m. This show is being offered free of charge in exchange for sale of these items for five days after the show. We know this will be a fun and motivating experience for our students. While we will be offering these items for sale, please understand that students/parents are under no obligation to purchase. Above all we want students to participate in the assembly with the positive messages indicated.
